## HIDDEN GEMS

Barra Hill (AB51 0BB) is a low hill with a marvellous view of Bennachie, and Garioch farmland all around. After setting out from a convenient spot on the outskirts of Oldmeldrum, the route passes a chair-shaped stone, previously situated on Barra Hill, and reputedly used as a resting place by Robert the Bruce during the Battle of Barra. The walk then ascends via a small wood to pasture land on the slopes of the hill.
